**Sunday's Sermon:** 1 Corinthians 5:1-8

**Let's Pray:**

Remember to pray for Bam and her visa situation. The suggestion is to pray at the start of your lunch break. Pray whenever the Holy Spirit brings her to your mind.

**Let's Pray:**

The SLT (Elders) will be meeting on Sunday, April 27 following the Sunday school hour. Their desire is to hear the Holy Spirit and following His leading regarding the direction of the church.

**Newsletter:**

The latest newsletter from Steve and Lyndsay Bilimek was sent out earlier this week. If you did not receive it, let Pastor Troy know. There will also be a copy of the newsletter at the Mission Center.

**Coming Attraction:**

If anyone is interested in being baptized, talk with Pastor Troy. Depending on schedules, more than one baptismal service may be held. Once all interested individuals are known, a time & place will be determined to hold this special event.

**Just Waiting:**

The names have been drawn for the Mystery Mingle Event. Your host will contact you to share the details of where, when, the time, and what you can bring so your group can enjoy a meal together.

**Camping Anyone:**

The UB National Office sent us brochures for kids and teens interested in spending time at our denomination's campground called Camp Cotubic. These brochures can be found at the Information Center.

**Draw Near to God:**

The new Daily Bread devotionals have arrived. Make sure to get your copies at the Information Center. These devotionals help people in their spiritual journeys.

**North Asia:**

A newsletter from Jeff and Shauna Spence was recently sent out via email. A copy of their letter is also available at the Mission Center.

**Let's Pray:**

Bam (Visa)

Brent Hodle (Health Issues)

Steve and Lindsey Bilimek who serve God in Indonesia.

Jeff and Shauna Spence who serve God in Taiwan.
